“Caring, Smart & Proud”

EdVue

TERM 4 WEEK 7 21st November, 2012

WELCOME

Mrs Lynette Grimes commenced work at Hillvue this week as the Instructional Leader. Mrs Grimes will work closely with Kinder, Year 1 and Year 2 supporting Literacy and Numeracy development through out the early years.

Mrs Sydenham our School Counsellor is currently relieving as the District Guidance Officer. Welcome to Mr Peter Prisk who will be the counsellor for the remainder of 2013 at Hillvue.

KINDER ORIENTATION

Last Thursday we welcomed current and new parents to our Kindergarten 2013 Orientation morning. A huge thank you to Mrs Kay O'Brien for her organisation and presentation. KM excitedly presented their "Holiday To Yamba" song, while we were also provided with information regarding Connected Communities, Instructional Leadership, attendance, bus travel and preparations for the first day.

PARTNERSHIPS

Last week a number of our students and staff who attend our After School Learning Centre were invited to attend a Partnerships Gathering with the University of Newcastle.

We received a lovely and very much appreciated letter from Mr Ian Woodley and Mrs Gaye Mihell the Community Project officers involved with our partnerships, they were complimentary of the participants from Hillvue.

“The students displayed exemplary manners at all times, were helpful to staff in cleaning up afterwards and helped make the event a very enjoyable one. Appreciation is also extended to your tutors...”

Well done to those Hillvue members who are always Caring, Smart and Proud.

STUDENT SAFETY

Please ensure that you do not park in the bus zone or no Stopping zone, when dropping or picking up your children from school. Staff and community members are concerned, as there are a number of students who walk out in front of the buses and jay walk to the other side of the road. Please cross at the crossing with your children and not further down the road in front of the buses.

A safety reminder - The front and back car parks are for staff, delivery services, emergency services and student taxis only. Thank You - this is for the safety of our children.

Have a great week!
Tina White
Principal

HEADLICE

We are asking that all parents examine their child's hair for signs of infestation. The lice themselves are often hard to find because they move around on the head. Therefore, you should be looking for eggs or nits. If your child has contracted head lice do not be alarmed. Although the condition is unpleasant, it is easily treated with a specialised treatment available from the chemist. As head lice are highly contagious it is suggested that you examine all family members and treat if necessary.
