### PARENTS AND CITIZENS ASSOCIATION

A P&C meeting will be held tonight at 6.30pm. Tea and coffee will be available. It would be great to see some new faces – you will be very welcome.

### SCHOOL BANKING – Students

CommonwealthBank

At Friday mornings assembly a representative of the Commonwealth Bank will speak to the children about School Banking.

This School Banking program teaches children good money management skills that will last well beyond school life.

The program also offers financial benefits for your school. Your school will receive:

- \$5.00 for every Activated Account via the School Banking program i.e. for each student who banks through the school's program for the very first time;
- 5% commission for each deposit (up to a maximum of \$10 in commission per individual deposit);
- Minimum commission payment of \$25.00 per quarter (provided at least one deposit is received from the school per quarter).

### The Rewards Program

The School Banking program includes an exciting Rewards Program designed to promote regular savings behavior. Every time a child makes a deposit into their savings account at school regardless of the amount deposited, they receive a Dollarmites token. These tokens can then be redeemed for exclusive Dollarmites reward items. The more tokens the child saves, the more reward items they can redeem during the year.

All students will receive information. Mrs Eggins in the office will be our school banking co-ordinator. If you need assistance or have any enquires please contact Mrs Eggins.

### SELECTIVE HIGH SCHOOL 2013

Parents of children seeking placement at a selective high school Year 7 2013 should have received advice re the Test and Test centres for Wednesday 15<sup>th</sup> March. Please contact myself or Mrs Chambers if your child is due to sit the test and you haven't received advice.

# SOCIAL SKILLS

## Resilience

Resilience means ...

not getting extremely angry, worried, or down, calming down when I do get very upset, not fighting or staying away from people when I am very upset, and bounding back to work or play.

### Examples of Resilience

- not getting extremely angry and fighting when someone is mean or acts unfairly
- not worrying *a lot* about having to take a test or meeting someone
- not getting very down and staying away from people after receiving a bad result or if someone says something bad about me
- calming down when I am extremely angry, down, or worried
- bounding back to work or play after a "setback"

### Habits of the Mind (Ways to Think) To Help Me Be Resilient

**It's Not as Bad as You Think It Is** means thinking it's not the worst thing that could happen to me.

**I Can Stand It** means thinking while I don't like it, I can stand it.

**Accepting Myself** means thinking that when I make mistakes or people don't want me to be around, I know that I am not a loser or hopeless. I still have my good points.

**Taking Risks** means thinking that it's OK to make mistakes when learning new things.

**Being Independent** means thinking that I don't care that much what people think of me. It's important to do what I want and to be me.

**I Can Do It** means thinking that I'm more likely to be successful than to fail.
