TERM 2 WEEK 2 2nd May 2012

STAFF DEVELOPMENT

This term during staff meetings, staff will be investigating: The Art and Science of Teaching by Robert Marzano. Staff will delve into and gain a greater understanding of this comprehensive framework that looks at effective instructional classroom practice. To begin with, our focus will be establishing and communicating learning goals. This will better equip teachers to guide parents through goal setting in Personalised Learning Plans. Parents can support this process during their PLP meetings with their child's teacher.

ANZAC

Following the ANZAC march last week it was lovely to receive a visit from one of our grandparents who was in Tamworth visiting family. Her husband, a Vietnam Vet was in Tamworth for a reunion. She wished to acknowledge all schools on how well the students marched and represented their communities. In particular she thought the students looked fabulous as all schools were in full uniform.

UNIFORM

Proudly displaying their winter school uniform

We appreciate your support in ensuring that all our students are wearing full winter school uniform. Unfortunately we have sold out of the girls' red ties. There will be a new supply available from the office in the next few weeks. Jackets are optional and available from the office.

FOOD ALLERGIES

In classrooms this week our Focus Skill is Food Allergies. To support our students, Hillvue Public School is a “nut free” school. We appreciate your support in leaving all nut products at home.

COMMUNITY SUPPORT

We greatly appreciate the support of David & Kimberly Newberry from Financial Wisdom who have donated to our Eat Well 2 Learn Well program.

OPPORTUNITY CLASS PLACEMENT IN YR5 2013

Parents seeking opportunity class placement for their child in 2013 are required to submit an application by the 18th May. These applications are available online at www.schools.nsw.edu.au/ocplacement or from our Principal Mr van Aanholt.

Have a great week!

Be a PAL Hero

Be a PAL:
Protect A Life™
From Food Allergies

Alexander the Elephant is allergic to peanuts.
Sophie is Alexander's PAL Hero.

Here is how you can be a PAL Hero, too:

- ◆ Food allergies are serious. Don't make jokes about them.
- ◆ Don't share food with friends who have food allergies.
- ◆ Wash your hands after eating.
- ◆ Ask what your friends are allergic to, and help them avoid it.
- ◆ If a friend who has food allergies becomes ill, get help immediately!

For more information about food allergies, contact:
The Food Allergy & Anaphylaxis Network

WORLD ASTHMA DAY

World Asthma Day is on 3 May. If you or someone in your family is one of the 10 per cent of people in Australia with asthma, you can find lots of resources to understand and manage this condition at: www.asthmafoundation.org.au

If your child suffers asthma, we recommend the school be given an up to date asthma management plan available from your child's GP or specialist. If they require an inhaler, please ensure there is one in their bag at all times.

IMPORTANT

AFTER SCHOOL SPORTS

After school sports permission notes are due by Friday of this week.

Please return tomorrow if you wish to be sure of your inclusion.
