“Caring, Smart & Proud”

## EdVue

TERM 3 WEEK 2 25th July 2012

### WELCOME

A warm welcome to the new staff who are joining our Hillvue team. Mrs Mary Potter is working in the Learning Assistance Support Teacher role. Mrs Harley Warmesley relieving on 1/2D while Miss Drain enjoys four weeks leave. Mr Glenn Finch replaces

Mr Bruce Adams as the general assistant while Mr Adams enjoys his Long Service Leave.

Stacey McDonald

Emily Brookes

Ben Reyne

We also welcome to Hillvue three students who are completing their 10 week internship from the University of New England. Miss Staci McDonald working with Mrs Mills and KM. Miss Emily Brooks working with Mrs Galvin & 3G. Mr Ben Reyne working with Mrs Gleeson & Mrs Chambers on 6CG. We hope their time at Hillvue is enjoyable and valuable.

### VISITORS

At Hillvue last week we received a visit from Dr Ken Boston AO and Rani Lewis-Jones. They were visiting Tamworth as part of an advisory group on Literacy and

Numeracy. They were enriched by the experience at Hillvue and were most impressed from what they saw and heard. Once again Hillvue's hospitality was very much appreciated and our enthusiasm for the work at hand was clearly evident.

### EDUCATION WEEK

Begins Monday 30 July. The theme this year is “Creating the Future”. Each day the students will receive an informative talk by a community member, ranging from Kelly Squires a dietician to Georgia Harvey the School Police Liaison Officer.

Wednesday 1st August is GRANDPARENTS day at Hillvue. Students across the school will be preparing, organising and delivering a wonderful afternoon tea to all our Grandparents.

Hillvue parents, friends and especially GRANDPARENTS are welcome to join us at 1.15pm for this afternoon tea.

A special thanks must go to Ian Woodley and the Rural University for their valued partnership and support that has enabled the afternoon to be presented.

### HEALTHY KID-FRIENDLY RECIPES

The Healthy Kids website has a range of nutritious, tasty and easy to prepare recipes for young chefs. The website is packed with information, resources and ideas on physical activity and healthy eating for children and young people.

Go to: <http://www.healthykids.nsw.gov.au/recipes.aspx?category=kidfriendlyrecipes>

### BAKERS DELIGHT

Bakers Delight are proud supporters of our Hillvue Eat Well 2 Learn Well (breakfast). When shopping at either Tamworth stores please say that you are a Hillvue parent or community member and support Hillvue Public School. Bakers Delight will award points towards our school total. At the end of the campaign, Bakers Delight will donate the points back to our school in money that will support student resources.

*Bakers Delight*  
We're for real.

## EVERY STUDENT EVERY SCHOOL

Why is the funding through the national partnership being used for projects in NSW public schools in this way?

The national partnership: *More Support for Students with Disabilities* is intended to build the capacity of schools and teachers to better support students with disabilities in all schools and to improve responses under the Commonwealth's *Disability Standards for Education 2005*.

Under the national partnership agreement, the additional funding must be used for projects that will deliver outputs agreed with the Australian Government. There is also an expectation that the additional funding will lever off other investments that the NSW Government is making in public schools to support students with disability.

Every Student, Every School: Learning and Support has been developed to build on the achievements and existing State investment in government schools and use the additional short term funding to achieve sustainable outcomes.

Have a great week!

Tina White

Principal (Relieving)

### DIARY DATES

#### Week 3

Mon – Fri Education Week  
Wed 1/8 10am SIP Meeting  
6pm P & C Meeting  
Fri 3/8 Clubs commence for Primary

#### Week 4

Thur 9/8 Zone Athletics

Certain driving and parking offences attract an additional demerit point if committed in an operating school zone. Double demerit points can also apply when school zones are in operation during holiday periods. If you commit a speed, seatbelt or helmet offence during this combined period, the demerit point value applying for the school zone will be doubled.

### Tips to improve children's safety around your school

- Children aged four years to under seven years must be secured in a forward facing restraint or booster seat.
- Children aged four years to under seven years cannot travel in the front seat of a vehicle with two or more rows, unless all other back seats are occupied by children younger than seven years in a child restraint or booster seat.
- Children should always get in and out of the car through the rear kerb side or 'safety door'.
- Always drop your children on the school side of the road.

### Phone Intervention Program

Children are legally required to attend school for every day of instruction. If your child is marked as absent you will be contacted by the school requesting an explanation of absence. The Phone Intervention Program ensures that children are not having extended periods of unexplained leave and avoids possible Home school Liaison referral. An explained absence is registered for medical appointments, funerals and holidays when approved by the Principal. Children should not be absent from school for their birthday, to have a haircut or because they have slept in. If you are experiencing difficulty getting your child to school please contact the school directly.
