## Hillvue Public School

"Caring, Smart & Proud"

# EdVue

TERM 3 WEEK 9 12th September 2012

### INDIGENOUS GAMES DAY

What a great afternoon of activities! Thank you to all our families that joined in our game day last Friday. Congratulations to Miss Emily Brooks and Mrs Enfy Galvin who organised a fabulous day full of fun and games. As I walked around the activities our children were enjoying themselves and participating with enthusiasm.

### BASKETBALL

Our open Girls Basketball team travelled to Bathurst to play in the state Finals of the PSSA KO. They won the quarter finals against Erina Heights 23-15. In the semi-final they defeated Hamilton Public School (Newcastle) 38-22. This placed the team into the final where we were defeated by Kororo Public School (Coffs Harbour) 38-25. Congratulations to a fantastic team of girls who played extremely well.

Congratulations and thank you to our coach Brigitte Knox for all the work she has done developing the players over the past years.

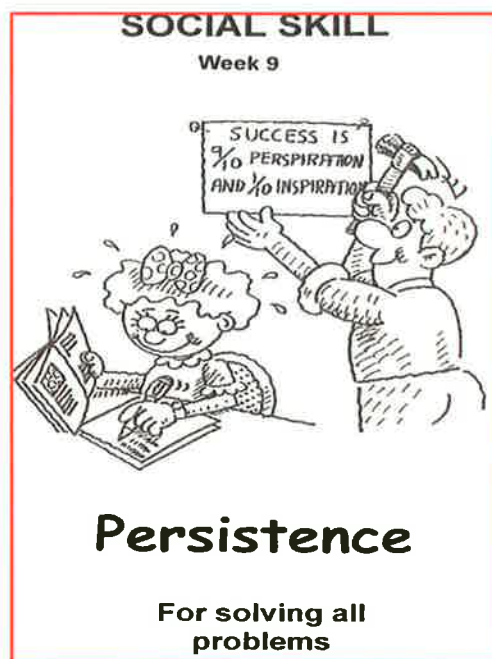

Thank you to Mel Craigie for benching all of our games and to Jody Craigie for your funding support. Thank you to the parents who travelled with us and supported the team.

### CONNECTED COMMUNITIES

This Friday Mr Jim White will be visiting our school between 11.45 and 1.15. Mr White would like to have a yarn and answer any questions that parents and community members have in regards to the Connected Community strategy. All welcome to attend.

This is your opportunity to receive information and have input into our future. Please come along and have a chat with Mr White and find out where Hillvue Public Schools future direction lies.

The Connected Communities strategy provides a wonderful opportunity to work with other agencies to address issues beyond the school gate that impact on learning. It will also provide an opportunity for schools to refine what happens within the school to ensure students are attending, engaged in learning and are achieving outcomes that will see them go all the way to achieving a Higher School Certificate.

### HEALTHY HABITS

While we can not entirely shield our children from illness there are ways we can help them boost their immune systems and become more health conscious. Listen to these tips from Dr Martine Walker, a city GP who specialises in family health and has two primary school-aged children of her own. Go to: <http://www.schoolatoz.nsw.edu.au/wellbeing/health/keeping-you-kids-healthy>

## BAKERS DELIGHT

Bakers Delight are proud supporters of our Hillvue Eat Well 2 Learn Well (breakfast).

When shopping at either Tamworth store please say that you are a Hillvue parent or community member and support Hillvue Public School. Bakers Delight will put points towards our school total. At the end of the campaign, Bakers Delight will donate the points back to our school in money that will support student resources.

Have a great week!  
Tina White  
Principal (Relieving)

### 14. What will happen to existing reading and language classes?

Reading and language classes are part of the learning assistance program. All learning and support positions, including existing learning assistance positions, will be allocated directly to schools. Principals in consultation with their school learning support teams and colleagues have the flexibility to contribute a component of their learning and support teacher allocation to the operation of a local language or reading program where they identify a priority need. Regions will work closely with schools to plan how best to meet the needs of students with additional complex learning and support needs in reading and language, as required.

## HILLVUE IS GETTING A NEW MURAL!

Attention everyone!

My name is Stacey McDonald and I am completing my final prac on KM's class. To successfully graduate, I am required to complete a community project which incorporates local Aboriginal culture and community members. I have chosen to create a mural which will be presented to our whole of school at the school assembly in Week 10. The mural focus is on empowerment of individuals and unity of the Gomeroi culture. Many people have been involved with this project including KM, parents, the AECG and Hillvue School staff. This has been a very exciting project. A special thanks goes to the three parents who supported this project, Wayne Hippi, Hank Flett and Norman Murray. Parents, friends and community are welcome to come along and see the unveiling of this heart warming mural. Don't miss this exciting assembly!

## THANK YOU

Thank you to all the local businesses who donated towards the 'Traditional Indigenous Games Day' last Friday. Students and staff received water bottles from

the National Australian Bank, Commonwealth Bank and the Northern Inland Credit Union. Water bottles were also donated by Sportsman's Warehouse, these were given to students who showed they were 'Caring, Smart and Proud'.

Donations towards the afternoon tea were provided by

Woolworths, Coles, IGA and Farmer Bobs.
