TERM 1 WEEK 8 19th March, 2013

Dear Parents and Carers

Congratulations to everyone involved in the disco last week. It was a fantastic night. The students who dressed up looked absolutely wonderful. Some of our parents went to so much trouble with costumes. It was great to see so many parents and carers at the school, enjoying a fun night.

A special thank you to Miss Foster, Kidco, members of staff who helped with supervision and our P&C for a great team effort! 3 Hillvue claps for everyone!!

# Hillvue Gangster Style

The first school Disco for the year was held on Wednesday 13th March in the school hall.

KIDCO chose the theme of 'Gangsters' for the disco and there was a large variety of gangsters on display. It certainly made it difficult for the judges to choose the best costumes.

The Infants started off the night with great dancing and fun and games. The barbecue made possible by the P&C was a welcome sight after an hour of dancing and then the Primary took over the dance floor until the end of the night.

We would like to thank the parents that put in such an effort to make our students look so good on the night. We must also thank the many parents that attended and joined in the fun. A great night was had by all and we look forward to the next disco.

With thanks to the P&C and KIDCO for all of their help to make the night such a success.

#### NORTH WEST LIFE EDUCATION

The North West Life Education van will be visiting Hillvue School this week and next week. Life Education is an important resource linked to our Personal Development, Health and Physical Education program. Life Education makes a valuable contribution in helping to teach our children about avoidance of substance abuse and how to choose a healthy, happy lifestyle.

Life Education NSW is a not for profit community based organization that relies on the raising of funds within the community to assist in meeting the shortfall left after receiving minimal assistance from Government Funding.

The sale of Harold merchandise to the children whilst the program is visiting each school supports the fundraising activities of local committees and all proceeds support Life Education within each local area.

These products help to remind children about the messages delivered to them during their Life Education session and have either a picture of Harold or the Life Education logo on them.

The educator will provide the opportunity for children to purchase these products during the school visit. Please provide the correct money in an envelope with the item written on the face of the envelope along with your child's name and class. This allows the educator to process orders efficiently and accurately.
