TERM 3 WEEK 5 13th August, 2013

Dear Parents and Carers,

FUN AND GAMES AT HILLVUE

On Monday we commenced our new playground duty roster and organisation. Our playground is now a K-6 playground. All students will be able to play during break times in the areas listed below. This will provide all students with a variety of activities to keep them engaged during break times.

BASKETBALL COURT

The basketball court will be open for all students during first break. No food of any kind is permitted on the basketball court.

HALL / ALTERNATE PLAY

The hall will be opened both breaks and will also act as the withdrawal area. An Assistant Principal will always be present when students are on withdrawal. Games have been purchased to provide students with alternate activities in the hall. The hall is a quiet area. No running or ball games of any kind will be permitted in the hall.

BACK PLAYGROUND

The back playground area remains unchanged. No food of any kind is permitted on the oval. No grabbing, tackling or holding games of any kind are permitted on the oval at any time.

PRIMARY SHELTER

The primary shelter duty remains the same. Students sit to eat food they have purchased at the canteen on the picnic tables provided. Handballs are the only balls permitted in this area. No basketball, footballs are permitted at any time in this area.

LIBRARY

Library will be open as usual for students who wish to visit.

COMPUTER ROOM

Computer room will be open on Wednesday and Thursday as advertised for E Learning

EATING IN CLASS

Eating prior to each break will take place in class. Students bring their bags into the classroom, eat their food and then leave all bags in the classroom. No bags will be outside rooms during breaks. Students will not be permitted to go back to rooms to get anything they have left behind unless they are directly accompanied by the classroom teacher. This will reduce theft and maintain consistency across the school. Each class will be provided with a bin for food scraps and rubbish. The bin will be emptied daily. We hope that eating in class will provide opportunities to ensure children are eating their lunch and promote healthy eating.

At the conclusion of each break the infants students will line up in the squares outside the hall. They will then be escorted to class by teachers. When it becomes hotter we will line them up under the cola at the back of the hall. Primary students will line up as usual. Apart from classroom eating time the primary shelter is the only area in the school where eating will take place.

We have made some minor changes to bell times. I

have attached a copy of all bell times for you. The canteen is only open during first break.

- 8.45 am – Formal student supervision commences
- 9.03am – Warning bell to move to assembly
- 9.05am - Settled for assembly
- 11.10am – Reminder bell for eating in classrooms

The game is to be played at Gipps St Fields beginning at 1.45pm. Permission notes and final details will be distributed shortly.

WEDNESDAY NIGHT RUGBY LEAGUE COMP

Games for Wednesday 14th August 2013 are as follows:

There are two finals scheduled to be played. Both games will be held on Field 1 only.

Unfortunately Hillvue Under 10's were unlucky to miss out on a finals position and they do not have a game this week. They should be proud of their efforts this season.

In the **Opens at 5pm** there will be a 2nd v 3rd game between Hillvue PS and St Edwards Blue to decide the 2nd placegetter.

There will be a presentation immediately afterwards. Full wrap up of the season will appear in next week's Edvue.

Please note the following:

1. All parents and spectators must remain outside the fenced area at all times during the games.
2. There will be a designated bench area for each team on either side of the official's tent, inside the fence. All players are to be seated here unless playing on the field. All coaches must stay in this area and away from the side lines.
3. Opens teams must warm up on Field 2 prior to their game, not field 1 whilst the Under 10s is on.
4. Qualified referees and touch judges will be officiating the games.
5. Only one Leaguesafe qualified person, per team, may enter the field during play. If your team does not have a Leaguesafe accredited person, one ADULT ONLY will be permitted to run water for the team.
6. NRL will supply a First Aid Officer for both games.

Thank you for your anticipated cooperation with the above guidelines.
